CANNER REVIEW

Olin Swinney

Eda Harrison Honor Society Founded Here

A beautiful and impressive induction ceremony for the Ladoga High school's newly elected members to the Eda Harrison Chapter of the National Honor Society was held in the gymnasium on Wednesday, April 7. The induction ceremony was based on the candlelight ceremony; and, although it was quite formal yet at the same time it was simple and impressive as was evidenced by the rapt attention of the student body throughout the ceremony.

Preceding the induction ceremony the Ladoga High school band under the direction of Albert Canine played the "Van Guard March." This was followed by a short talk by Olin Swinney, Principal of the Ladoga High school, in which he introduced the members of the Crawfordsville National Honor Society; namely, Keith Davidson, Barbara Sims, Collins Wallace, Phil Francis, Emily Bruce, and their sponsor, Mrs. Mable T. Smith.

Keith Davidson served as chair man of the induction ceremony, and read the names of the newly elected members who came to the stage and sat in the empty chairs which had been previously placed there for them. The students who were elected to membership in the Ladoga High School National Honor Society were: Mary Etta Ronk, Donald Gravit, Rosemary Terry, Wanda Cloncs, Barbara Tharp, Carl Zimmerman, Betty June Eldridge, Maybeth Todd, Ruthanna Britts, Paul Clark, Louise Hicks, and Barbara Pace.

The [illegible] ville National Honor Society and their sponsor were the luncheon guests of the Ladoga members in the high school cafeteria.

Ladoga High school is to be congratulated on being the first county school outside of Crawfordsville to be granted a charter of the National Honor Society. Ordinarily a school must be a member of the North Central Association in order to be granted a charter; however, due to the educational progressiveness of the Ladoga High school during the present school year placed the school in the marginal area and was consequently granted a chapter by Paul E. Elicker, Executive Secretary of the National Association of Secondary-School Principals of the National Education Association.

The manner by which the students of the Ladoga High school were elected to membership in the National Honor Society can best be explained in the following statements. First, a list of all students in the senior, junior and sophomore classes who had a "B" average was made by the principal. Second, the faculty voted on each student on this list considering the remainder of the three cardinal principles—Character, Leadership and Service. If any student received one or more negative votes on the above three principles, that student was declared ineligible for membership. The following points under each principle was considered:

School Notes

The Ladoga school opened on Tuesday, September 2 with a new principal, Olin Swinney and several other new teachers in charge. Because of crowded conditions, grades 1—6 will be in the grade building, and grades 7—12 will occupy the high school. Tempory headquarters for grades 7 and 8 will be the high school auditorium until the new class rooms will be ready in the old gymnasium. Classes will be conducted on the 6—6 plan, that is, 6 grades in one division and 6 in other.

School starts early this year at 8:15 because the state requires 7 hours of instruction per week for all agricultural vocational students, and to do this more time is required.

Mrs. Mae Miller and Mrs. Beatrice Trump are in charge of the P.-T. A. Hot lunch program, assisted by Mrs. Florence Powers and Mrs. Hazel Bryan. Donations of vegetables will be greatly appreciated.

Enrollment, although incomplete because of State Fair, shows grade 1—40; Grade 2—41; Grade 3—31; Grade 4—38; Grade 5—28; grade 6—36; Grade 7—21; grade 8—24; grade 9—25; grade 10—21; grade 11—28; and grade 12—25; total 358.

School Bus Safety

An order from the Indiana School Bus Committee, that all bus bodies manufactured prior to January 1, 1938 must be replaced before the opening of the 1948-49 school year, is described by the committee as "a safety measure in the interest of thousands of Indiana school pupils who must be transported daily by bus." The order, which will affect about 1,400 vehicles, would have been issued sooner, the committee explained, except for the war emergency and material shortages. Bus body manufacturers have advised that they are now in a position to provide replacements.

Since this order is restricted to bodies it is assumed that each driver to which it applies will not be compelled to buy a new chassis. This part of the vehicle, however, is subject to periodical inspection by the state police department and others, with emphasis upon adequate tires, brakes, headlights and other equipment.

Although there may be some objections to the directive, especially on the part of drivers whose contracts extend beyond the replacement date, it will be approved generally because it increases the safety factor. The old bodies have seating arrangements that are no longer permitted in new equipment.

The transportation of Indiana school pupils cost $7,485,267 for the school year of 1945-46, an increase of 47% over the school year of 1939-40. The fact that thousands of children have been transported safely largely offsets the cost. The expense is expected to be more this year and may even increase for the 1948-49 year, but there can be no compromise with safety. If that is assured the money will be well spent.

"I was just told that I was crazy if I talked to myself. Is that so?" asked the anxious student.
"Oh, I don't think so," replied her companion, "but you are crazy if you listen."

HISTORY

Four years ago we started our high school careers as freshmen with thirty-one classmates. We elected Mrs. Bunnell as our freshman sponsor. We were duly initiated into our first year in high school.

Our Sophomore year was started by electing Miss Otterman as our sponsor. We had the pleasure that year to initiate the class of "49."

When our class convened in September in "47" we were Juniors. We tried every means possible to raise enough money to give the Junior-Senior Reception. We chose Mr. Neff for our sponsor. Our Junior Play, "Grandma Steps Out", was given on October 23, 1946 with Mrs. Edmiston as our director.
The Cast was as follows:

Mrs. Muriel Green, Granddaughter.....Alberta Ashley
Prissy, a neighbor brat .....Mary Etta Ronk
Ruth Green, Older Granddaughter .....Marylyn Merchant
Homer Green, Grandma's Grandson.....Vernon Ross
Adam Bailey, High School Principal.....Donald Gravit
Mrs. Cora Snyder, Grandma.....Lois Norton
Mary Green, Younger Granddaughter .....Barbara Vice
Phil Crosby, Engaged to Mary .....Jim Wilson
Minnie Mangle, Pal of Grandma's .....Beverly Britton
Mrs. Walters, Society Matron .....Martha Gray
Shirley Walters, Her Daughter.....Betty J. Hart
Regnald Walters, Her Son ..... John Mahorney
June, a hired girl.....Betty Everhart
Mr. Cullen, a Business Man .....Kenyon Roberts
Prompters.....Clifford Cook, Richard Pitzer and Martha Long

On April 25, 1947 we entertained the Seniors at the Junior-Senior Reception. The Auditorium was decorated in a Southern Plantation Theme. After the banquet, dancing was enjoyed by all until 10:00 o'clock, then we went to the Ladoga theater and were entertained with a movie.

In the fall of "47" we took our places as Seniors on the north side of the assembly. We elected Mrs. Edmiston as our sponsor. The first semester brought few activities, but the second swamped us with its activities. We met our dead line for the Annual and sold over one hundred copies. On March 12, we gave a "St. Patricks' Day Carnival" to raise money for the three-day Senior trip to Chicago. We gave our Senior Play April 16, and enjoyed the Junior-Senior Reception April 23. We listened to the Baccalureate Sermon April 25 and took our Senior trip to Chicago April 26, 27 and 28. We went via chartered bus, stayed at the YMCA and saw all the wonderful things in Chicago. Our class of 23, with the boys in blue robes, and the girls in white robes, were graduated Thursday night, April 29. Dr. Haramy of Indianapolis gave the address, which was on "This Atomic World." We were happy to graduate but felt a little sad to think we were really "out" of high school.

* * * *

Three boys (Jerry Zachary, Jim Reiter, and Kenyon Roberts) were sitting in the drug store drinking a milk shake one night just before a ball game. Their subject was "dying." Kenyon said he would like to die fast, maybe in a high speed automobile. Then Jim Reiter said he thought that was a good idea of dying but he preferred a jet plane. Then Jerry spoke up, agreeing with the other two boys, only he had a faster way yet,--by making some woman's husband jealous.

PROPHECY

Alberta Ashley, the dancing star,
Will become very famous near and far.
She will go dancing through the air
With her partner, the great Fred
Astaire.

Helen Pace, a cute little lass
Her face and her figure are her mask.
She'll make Jimmie an efficient wife,
And he'll live happily the rest of his
life.

Johnny Mahorney, yes, you can guess,
He's waiting for Nancy and her cares.
But while he's waiting, he'll have fun
'Cause he sure keeps that Plymouth on
the run.

Mary Etta's voice will bring her fame,
Singing with Marian the old refrains.
They will go thru' life blending
'Til he looks at his socks that needs
mending.

Jerry Zachary the black eyed squirt,
He takes to anything wearing a skirt.
It seems he can't find a girl round home
So off to Kansas he must roam.

Irene and Jim will settle down
In a little house at the edge of town.
She'll be a good wife of that we're sure.
And if Jim gets sick she'll be his cure.

Betty Hart, her head in the air,
May try her hand at fixing hair.
She could go in and help Marie
Until she meets that certain "he."

Betty Everhart will clerk in a store
Where people buy things by the score.
She's so used to making change
Just from working at the ballgames.

Mercedes with her queer little grin
Someone's heart she soon will win.
She will make her home real nice and
cozy,
Her husband will call her his little posy.

For Marylyn Merchant, it's hard to say,
Anything might turn up for her some day.
She's not cut out to be a college girl,
But (she) might send some good guy for
a whirl.

Sam Bryan, that slim little man,
Will stay with the (ball) team as long as
he can.
But then, when good old school days are
o'er,
He'll sail the seas forever more.

Martha Long, the home-making type,
Will make someone (Homer) a nice
little wife.
She won't beat him on the head,
But just keep him very well fed.

A dentist Kenyon will turn out to be;
He will pull your teeth for a very small
fee.
He'll work real hard all day long
At helping make people's teeth stay
strong.

Chester Poynter will have his own farm,
And there he will hide away from harm.
He'll stay there and make his money
From raising bees and selling honey.

Clifford Cook will travel far
In his old Packard car.
He will travel around this world of
strife,
Until he finds some girl for his wife.

Barbara, the cute little flirt,
With her sloppy Joe sweaters and "Old"
length skirt,
Will become very dignified,
Taking notes at the boss's side.

Vernon will travel very far
With many bumps and dents in his car.
He will go from door to door
Selling can openers by the score.

Next, Donald Gravit with his
Brilliant mind,
Is sure to be the progressive kind.
And after he teaches in a very large
school,
He'll think of the rest as just plain
fools.

Richard Pitzer will settle down
With a cute little wife in some big
town.
He'll work in a factory by the day
And be glad he's not on the farm
making hay.

Jim Davis, the blond haired chap,
At roller skating he's a snap.
He'll get a job and work in a factory
Then after that, things will be
satisfactory.

Martha Gray will stay on a diet
To keep her figure so folks will
"eye" it.
She'll sit at the switch board each
day and drool
Over the excitement of old High
School.

Edward Hart, a no smile lad,
At fixing machines no skill he had.
But he is learning beyond alarm,
And while he learns he'll stay on
the farm.

Beverly Britton with her very long
skirt,
With every boy she used to flirt.
But now she has picked out just Le Roy
And her heart is filled with lots of joy.

Martha: "My father said he didn't like women who drive from the back seat."
Homer S.: "What did your Mother say to that?"
Martha: "She said back-seat drivers were no worse than men who cook from the dining room table.

Dick Williamson: "If I should kiss you would you call your Mother?"
Margaret: "No, it wouldn't be necessary to kiss the whole family."

Twinkle, twinkle, little star,
What in the world do you think you are?

Dick Rogers has to work his way through high school by milking cows.------ Just skimming through.

The Freshman is grassy and grows.
The Sophomore is sassy and blows.
The Junior is brassy and doze.
The Senior is classy and knows.

Jim Harris: I hear you're going to college, what are you taking?
Kenyon R.: Medicines.
Jim: Feeling better?

"Wimpy," Mr. Bullock said, "You shouldn't laugh out loud in the class room like that, because it isn't very nice.
"I didn't mean to do it, I was smiling and the smile busted," replied Wimp.

LAST WILL AND TESTAMENT

On this happy and special date
We, the seniors of '48
Would like to leave to all of you,
The fun we've had our twelve years through.

And now as we approach our last step,
We just realize that we should get hep.
So to the teachers who helped us get here
We leave our best thoughts from year to year.

Now a traditional gift we'd like to bring forth,
Yes, that's our seats on the very far north.
We hope you juniors will like them okay
And be there to sit in them every day.

Our sponsor this year was Mrs. Edmiston
And with her as our guide we sure had fun.
Now this was her second year with us
And she agreed to will something without any fuss.
About every heresay in school is a rumor
But this is true---------she has a good sense of humor.
She'd like to pass it on to whoever can use it,
But take it from us you'd be silly to ever refuse it.

Now each senior we'll mention with care
And leave something to every junior so fair.
Now don't fret we'll give something to everyone
So here's hopeing we end with lots of fun.

Alberta Ashley, the rattle-brain type,
Is always ready to argue or gripe.
She got all her de-merits for chewing gum
So she wills this tendency to Bob Powers----------
The innocent bum!

Beverly Britton, the country gal,
Wants to leave her long skirts to a pal.
She'll bequeath them to Margaret Long this time
Whose skirts are above the new style line.

Now about Sam Bryan, we're going to tell
As a student manager he was swell.
When Sammy talks he is hard to hear
He mumbles a lot and his voice isn't clear,
So this trait he'll leave to Dick Zimmerman dear.
Now Dick is a member of the junior crowd
And his voice can be heard 'cause it's boisterous and loud.

Clifford Cook has an outstanding feature
And that you all know is his height------the tall creature!
So he'll leave his tallness to a short little lass
That's Barbara McKinsey of the junior class.

Next is James Davis----------we know him as Jim,
The girls save their admirable looks for him.
Some say he has that Van Johnson look
When he finds the time to glance from his book.
To Harry Griggs goes his look and his grin
So we hope in the future this benefits him.

Betty Lou Everhart is next in line,
This gal studies government all the time.
She makes A's and B's in this subject 'tis true
So Joan Rogers we know that this will help you.

Here's to Irene French with lots of steam,
She was a member of this year's cheer-leading team.
Some say they'd like a boy for a change
Well, Irene gives her place to Richard McClaine.

Everett Foster, you may smile and be glad,
A seniors's leaving you somethin' you need very bad.
Donald Gravit gives you his A's and B's
So you can forget those C's and D's.

Now Martha Gray, who loves to chat
Has a figure quite slim though it used to be fat.
The diet she used she has to thank
So Betty Hubble this is yours, just to be frank.

Betty Jane Hart, we'll talk about now,
For lessons in typing she'll show you how.
To Rosemary Terry goes her cute little stride,
So straighten up Rosie; accept it with pride.

Edward Hart, the quiet boy,
Is well known for his actions so coy.
His blushes plus his manners so shy,
He wants to give Jim Reiter--
Well you know why!

Martha Long, a real pal to all,
Has her man at her beck and call.
Her ability to go steady she wants to leave,
So this goes to Wanda Cloncs who'll gladly receive.

John Mahorney, a real handsome brute,
Flirts with the girls he considers cute.
This trait goes to a junior so shy,
Buddy Sandusky, use this and we're sure you'll get by.

Marylyn Merchant, has something to give,
Now take this advice and your character will live.
Her friendly disposition and dry sense of humor,
Go to Joe Prosser, so be a worthy consumer.

Helen Pace, with big brown eyes,
Has a bright smile for all of the guys.
She's really quite short and has to reach far,
So her stature she wills to Edna Mae and LaMarr.

Richard Pitzer, the next senior lad,
Wishes to make a fair junior glad.
To Marilyn Brown and her feminine fragility,
Goes Richard's horse-back riding ability.

Chester Poynter, who tills the soil,
Is much too quiet to cause any turmoil
His knowledge of the farm goes to you Phyllis dear,
And we hope you'll be farming the next thing we hear.

Kenyon Roberts, the next one in view,
Wants to leave something, Morris Sillery, to you.
He played on the varsity and was right on the beam,
So to this oncoming senior Kenyon would like to leave,
His proud position on the basketball team.

Now Mercedes Rodman, a quiet little miss,
Wants to leave someone with happy bliss.
When asked to leave Ernie she said, "Well, Okay"
So Barbara Jeffries we know this will make you feel gay.

Mary Etta Ronk, the next on this list,
Leaves something to Dave Bryan whom we almost missed.
Her main feature is her tooth paste smile,
Quit frowning, Dave, this is for you my dear 'chile.

Vernon Ross we wouldn't pass by.
"I disagree" is his often-heard cry.
When an argument's mentioned his eyes take a gleam,
So his gift of gab goes to Richard Rogers and Imogene.

Next is Barbara Vice, as you can see,
No, she won't will Jim, he's her husband-to-be.
Her technique she'll leave to the first gal in sight,
So Barbara Tharp, you need not stay home at night.

Jerry Zachary, wants to leave a gift,
And two junior boy's spirits now should lift.
The women in his life he got by winkin' and grinnin'
But he's leaving them to pals, Dick Williamson and Jerry Brennan.

Here's to our teachers so generous and kind,
So we'll leave to them what's on our mind.
Startin' right now get ready to laff,
Cause we're gonna have fun with the whole darned staff.

To Mr. Neff, who coached here so long,
We will our ambitions and efforts so strong.
To sponsor those juniors took plenty of nerve,
So we hope next year he'll still be able to serve.

Next is Mr. Bullock, who taught us the facts,
About our government and all it's acts.
Well now we're going to give to you,
Our ability and outstanding technique to argue.

Here's to Max or we should say Mr. Buell,
This was his first year to teach in our school.
So to this teacher who's just beginning;
We'd like to will our ways so winning.

Now to Hester we'll give a toast,
He has many good traits about which we could boast.
We guys who consider our health-knowledge potential
Leave it to him, which seems conventional.
And we girls will bequeath him something right quick,
Our ribbons for his hair so wavy and thick.

To Mr. Canine, our new music man,
We're going to leave something if we can.
His main hobby is note detection,
So the girls would like to leave to him
Their bright colored neckchiefs for his tie collection.

And to Mrs. Ludlow goes our thanks.
She helped us along in spite of our pranks.
So we'll give her our height, with her consent,
And she'll look like a teacher instead of a student.

Mrs. Reese who teaches English
Is going to get something we're glad to relinquish.
To her goes our love for grammar and stuff
So room 'E' will ring with her voice so ruff!!

Mrs. Robertson we'll speak about now,
The girls couldn't cook, so she taught them how.
After such an ordeal she'll need a rest
So to her goes all our pep and zest.

Last on the list is our principal dear
This was his first year to be here.
Our love for the school and discipline all 'round
Goes to Mr. Swinney with rules so sound.

Well, now you juniors should really feel gay,
We're sending something much wanted your way.
To you lucky little squirts
We're giving our senior cords and skirts.

To all you kids we'd like to leave
The many de-merits which we received.
This is in case next year those teachers are kind
And those little marks by your names are hard to find.

Dr. Sevitsky Hears Barbara McKinsey, Ladoga Girl, Sing

Barbara McKinsey

Miss Barbara McKinsey, of Ladoga, was in Indianapolis Monday to take part in the auditions conducted by Dr. Fabien Sevitsky to select the personnel for the mixed chorus of 80 singers who will appear in the presentation of "Carmen" in the Butler Bowl Aug. 4 and 8. The opera will be conducted by Dr. Sevitsky.

Barbara sang "Lo, Hear the Gentle Lark," by Bischop. She was accompanied on the piano by her teacher, Mrs. Miriam Hostetter Campbell. Barbara was personally selected to be a member of the opera chorus by Dr. Sevitsky himself. She will return to Indianapolis Tuesday night for the first rehearsal.

Barbara is a junior in the Ladoga high school. She is seventeen years of age and has shown music talent since she was quite young. She is the daughter of Mr. and Mrs. Henry McKinsey.

JUNIORS

This epistle I'm about to write,
May seem to you a little trite.
It fairly describes the Junior classes,
With its many smart lads and lasses.
Now take our speedy little Everett Foster,
Who is well honored on the basketball roster.
Also Dick Zimmerman, our No. 1 squirt,
With Marilyn Brown he loves to flirt,
And Barbara McKinsey so short, and thin,
Could use some of Joan Rogers vigor and vim.
But Dick McClaine, who hates history quite abit,
Says, "blessed be agriculture! if one does not have too much of it."
Buddy Sandusky, a very bright scholar,
Says he will loan Bob Powers a dollar.
But Rosemary Terry said she thought,
That Phyllis Dickerson couldn't be bought.
And Jerry Brennan, who loves cigars,
Said Maggie Long should quit eating Mars Bars.
The smart grey Ford that Williamson drives,
Endangers many of Ladoga's young lives.
Adding our peaceful pipe smoker, Harry Griggs,
Says he would smoke nothing but roll your own "Briggs".
And Wanda Cloncs our little Canary,
Is still looking for some sucker to marry.
Plus La Marr Nicholson our second Bill Stern,
Claims his money he will honestly earn.
But Rogers the man with the jeep that can buck,
Thinks that the thing will never get stuck.
Hubble says she wouldn't have to settle for an Ice Cream Cone,
If them "honery" rum players would leave her candy alone.
And Edna Lewellyn, the waitress in our play,
Claims some day Bob will have his way.
Dave Bryan a quiet, smart little lad,
Our boxing champ, burly Morris Sillery,
Says he always trains on lettuce and celery.
And Barbara Tharp with her cute little wink,
Generally causes Prosser's radio to go on the blink.
And Jim Riter who claims he likes to fly for fun,
Will probably end up a customer of Proffit and Son.
Plus Imogene Davis and Mary Paxton, The new ones in our class,
Seem to think Barbara Jeffries is a very smart lass.
And last but not least is our dear president,
Miss Jo Anne Brennan for Pepsodent.

******

Mr. Swinney: You should have been here at 8:15.
Barbara McK.: (Coming in late) Why, what happened?

******

Mrs. Reese: Give me a sentence with an object.
Bob Powers: You are very beautiful.
Reese: What's the object?
Bob: A good grade.

In math class Mr. Hester gave this question: "If I lay four eggs here, and four eggs here, how many will I have?
To which Betty Hubble answered, "Don't believe you can do it."

BACK IN INDIANA

Back in Indiana where the grass is long and green,
Back in Indiana the heart of my dreams
The air so pure, the sky so blue.
The meadows all so damp with dew.

Back where they grow the wheat and corn,
Back in the pasture by the old hay barn.
Back in the woods by the cool blue stream,
Back in Indiana the heart of my dreams.

Class Party

We met at the school building for a joyous ride (girls with Max and boys with Wimpy) to Paul Clark's, where our first class party was held. The weiner roast was held around a massive log, which was merrily blazing. After plenty of weiners and cokes, we sat around and sang songs. Later we piled in a wagon of hay (which was pretty crowded) and were off to a merry ole' time, except Max had a flashlight.

Sadie Hawkins Dance

A Sadie Hawkins dance was sponsored by the Student Council on Dec. 12. There were about twenty-five couples who attended. There was no admission charges but in order to be admitted, the boys had to be escorted by a girl and both had to dressed in dogpatch style. Some girls provided corsages for their dates. Typical corsages were made of carrots, onions, corn husks and anything available tied up in a pretty ribbon. After everyone was out of breath from dancing, Mr. Swinney announced cokes would be served. After more dancing, couples took their places and circled around for the judges to decide the best dressed couple. Our own Louise Hicks and Paul Clark were selected as the "best dressed couple". More dancing and another round of cokes followed. At about 10:30, the girls departed to escort their dates home.

ACTIVITIES

SCHOOL PERSONNEL

LATIN CLUB

Latin 11 formed a Latin Club in October with Betty Hubble as president, Marilyn Brown, vice-president, Phyllis Dickerson, secretary, and Dick Zimmerman and LaMarr Nicholson, program committee. A very nice program was enjoyed the last Friday in each month. Many things were learned about the Romans, their names, games, marriage customs, schools, homes, roads and things too numerous to mention. A few things of humor were enjoyed as the club progressed. Songs were sung in Latin and some very strange poems read, such as the one below. Program books were kept and presented at open house in April.

FELIS

A cat sedebat on our fence
    As laeta as could be;
Her vox surgebat to the skies,
    Canebat merrily.

My clamor was of no avail,
    Tho' clare did I cry.
Conspexit me with mild reproof,
    And winked her alter eye.

Quite vainly ieci boots, a lamp,
    Some bottles and a book;
Ergo, I seized my pistol, et
    My aim cum cura took.

I had six shots, dixi, "Ye gods,
    May I that felis kill!"
Quamquam I took six of her lives
    The other three sang still.

The felis sang with major vim,
    Though man's aim was true,
Conatus sum, putare quid
    In tonitru I'd do.

A scheme advenit in my head
    Scive, 'twould make her wince--
I sang! Et then the hostis fled
    Non eam vidi since.

LIBRARY CLUB

The Library Club was organized by Mrs. Edmiston. It consisted of the six pupil-assistants and the Librarian. Its officers were: Helen Pace, president; Mary Etta Ronk, vice-president and Marylyn Merchant, secretary. The duties of the club girls were to check books in and out, to help keep the shelves straight and dusted, to change the bulletin board each month, and to assist pupils who needed help.

Boys' Chorus

Girls Glee Club

CHORUS

The Chorus started its first semester with 20 members. At the beginning of the second semester this enrollment had increased to 34.

Quite a few girls from the Chorus were fortunate enough to be able to attend the Indiana State Choral Festival at Cadle Tabernacle, October 24, 1947. This is always one of the best programs given during The Indiana State Teacher's Convention. Those attending were, Alberta Ashley, Phyllis Dickerson, Irene French, Louise Hicks, Edna Maye Lewellyn, Barbara McKinsey and Joan Rogers. They were accompanied by Mrs. Harley Campbell and Mr. Canine.

The Chorus took part in an all school Christmas Music Program put on by the Music Department under Mr. Canine's able direction. The most outstanding part of the program was a living Christmas tree made by the girls dressed in wine colored robes, with large white collars, with each girl carrying a silver-sprayed hemlock branch. While in the tree arrangement the girls sang these four Christmas songs:

Noel .....Gevaert
Star of the East .....A. Kennedy
Santa Claus is Coming To Town .....Fred Costs
White Christmas .....Irving Berlin

The Sextet sang at Trinity Methodist Church in Crawfordsville, Sunday, November 23, at the morning service. They also sang at the Mens' District meeting of the Christian Churches held in Ladoga, January 12, 1948.

BAND

At the beginning of the year the band had fifteen members. On November 10, 1947 the Lyons Band Instrument Company of Chicago put on a display of instruments and presented a rental plan to the parents. The result was that by Christmas, sixty boys and girls were working on instruments.

In December the band began to play at Pep meetings and for the ball games. At Christmas it took part in the Music Program and played these numbers.

The officers for the year of 1947-48 as elected by the officers of last years club, were as follows: President, Kenyon Roberts; Vice-president, John Mahorney; Secretary, Jerry Brennan; Treasurer, Dick Williamson; Sergeant of arms, Richard Rogers; Sponsor Mr. Hester.

We held our rough initiation at the Shackleford farm west of Ladoga and our formal initiation was held October 17, at the Ladoga Presbyterian Church. Our Christmas dance was held on December 20. We sold beanies, initials, and license plate tags. Our membership was 31 this year as we took in eleven new members at the beginning of the year. Our annual Father and Sons Banquet was given in April.

BOOSTER CLUB

The Booster Club was organized November 25, 1947. The following were elected officers; Alberta Ashley, President, Jo Ann Brennan, Vice-president, Rosemary Terry, Secretary and Martha Jane Long, Treasurer. A Sponsor, Mrs. Robertson, was chosen. The purpose of the Booster Club was to boost school spirit and support the team.

STUDENT COUNCIL

It was decided to have a student council for the year 1947-48. The classes met and elected members to this council. The seniors elected four, Sam Bryan, Jim Davis, Kenyon Roberts, and Mary Etta Ronk; the juniors three, Bob Powere, Richard Rogers, and Joe Prosser; the sophomores two, Barbara Pace and Paul Clark; and the freshmen two, Patty Scott and Jim Harris. The seventh and eighth elected one each, Freddie Brennan and Carl Clark. This made thirteen with Mr. Swinney and Mrs. Robertson as faculty advisors.

At the first meeting Jim Davis was elected president, Kenyon Roberts, vice-president, and Mary Etta Ronk, Secretary.

Among the things sponsored by the council during the year were: An animal show in October; a box-supper followed by a hard-times dance on Halloween night; A Sadie Hawkins party on December 12 to which the boys were escorted by the girls and a prize was given to the best "Daisy Mae" and "Lil Abner"; and in April, Lt. Whitaker was engaged to speak to the students.

The Council decided that no underclassman could wear senior cords or skirts.

Linden Bulldogs Win Tourney; Nose Out Ladoga

Linden edged Ladoga, last year's county tournament winner, out of the running for the 1948 championship in the opening game Friday afternoon, winning a tough tussel with the Canners, 35 to 31.

It was a close battle all through the game. Linden took the lead when Vail dropped in a basket on the tip-off play. Ross promptly evened up the score with his rebound shot, then Ladoga went out in front as Zachary tallied 4-2.

Ladoga was ahead 6-3, 10-7, and 11-9, before Linden tied the count at 11-all when Vail tipped in one from the side. Kitsmiller's basket, also from a side shot, put Linden ahead. It was only for a moment, however, as Williamson promptly came through with a marker to tie it up again at 13-all.

Leading 16 to 15 as the half ended, Linden never relinquished the lead during the second half although Ladoga's fighting five kept right on the tails of the Madison township lads.

Ladoga had the count 26 to Linden's 28 and then 28 to Linden's 30 before narrowing the margin to one point as Linden led 30 to 29. In the closing minutes of the game, Linden pushed out in front with a 4-point margin as the gun cracked.

Linden played through the entire game without a substitution.

ATHLETIC ACTIVITIES

We have a new face in our Athletic department this year in the person of Harold "Jack" Hester. Mr. Hester took the place of Floyd Neff who has devoted his time to just teaching. Mr. Hester is well known in this county for his tournament teams with which he has had good luck. "Jack," as he is better known, was graduated from New Market High School in the year 1934 and was graduated from Wabash in 1938 with an A. B. degree. He started his coaching at New Market High School but it was interrupted by the war.

He served in the Navy for 3 years, during which time he was stationed in the Atlantic and Pacific Theater of Operations. Upon his discharge he again returned to coach at Cutler, Indiana and his team of 1946-47 won their share of the games. As you all know he took over the coaching reins of our school this year and we sincerely hope he liked his new job.
